Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is “Form S-6 (17 CFR 239.16), for Registration under the Securities Act of 1933 of Securities of Unit Investment Trusts Registered on Form N-8B-2 (17 CFR 274.13).” Form S-6 is a form used for registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) (“Securities Act”) of securities of any unit investment trust (“UIT”) registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“Investment Company Act”) on Form N-8B-2. Section 5 of the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities.

Section 10(a)(3) of the Securities Act (15 U.S.C. 77j(a)(3)) provides that when a prospectus is used more than nine months after the effective date of the registration statement, the information therein shall be as of a date not more than sixteen months prior to such use. As a

result, most UITs update their registration statements under the Securities Act on an annual basis in order that their sponsors may continue to maintain a secondary market in the units. UITs that are registered under the Investment Company Act on Form N-8B-2 file post-effective amendments to their registration statements on Form S-6 in order to update their prospectuses.

The purpose of Form S-6 is to meet the filing and disclosure requirements of the Securities Act and to enable filers to provide investors with information necessary to evaluate an investment in the security. This information collection differs significantly from many other federal information collections, which are primarily for the use and benefit of the collecting agency. The information required to be filed with the Commission permits verification of compliance with securities law requirements and assures the public availability and dissemination of the information.

The Commission estimates that there are approximately 1,019 initial registration statements filed on Form S-6 annually and approximately 607 annual post-effective amendments to previously effective registration statements filed on Form S-6. The Commission estimates that the hour burden for preparing and filing an initial registration statement on Form S-6 is 45 hours and for preparing and filing a post-effective amendment to a previously effective registration statement filed on Form S-6 is 40 hours. Therefore, we estimate that the total hour burden of preparing and filing registration statements on Form S-6 for all affected UITs is 68,365 hours. We estimate that the cost burden of preparing and filing an initial registration statement on Form S-6 is \$38,825 and for preparing and filing a post-effective amendment is \$23,434. Therefore, we estimate that the total cost burden of preparing and filing registration statements on Form S-6 for all affected UITs is \$53,787,113.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Compliance with the collection of information requirements of Form S-6 is mandatory. Responses to the collection of information

will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
